PRESIDENT LETTERS

President of OAME

Welcome Mathematicians from Far and Wide! Welcome to the wonderful Trent University Facilities in the City of Peterborough. OAME would like to thank you for being "the best of the best math students in the province of Ontario" and coming to the Mathematics Olympics this year. We hope your stay will be enjoyable and memorable.

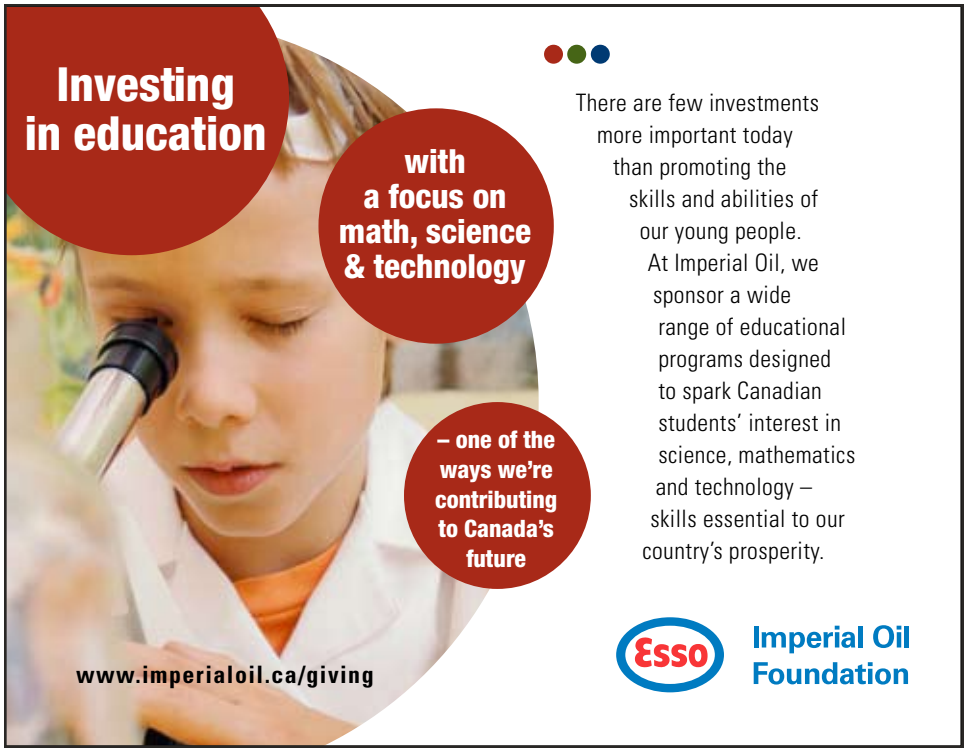

Yours in Mathematical fun,
Jacqueline Hill
OAME President

Co-Presidents of PRMA

Welcome to OMO 2008! We are very proud to be hosting the Ontario Math Olympics at Trent University in Peterborough. We are honoured to have 120 students involved in this year's events. We hope that every student has an enjoyable time while getting to know other students from across the province and celebrating his/her accomplishments by participating in the Olympics. We would like to thank the teachers/coaches for making it possible for students to attend the event through the generous gift of their time. We would also like to thank the many sponsors that made it possible to host OMO 2008.

Sincerely,
Sandra Jean Price and Manuel Salvati
Presidents of PRMA

There are few investments more important today than promoting the skills and abilities of our young people. At Imperial Oil, we sponsor a wide range of educational programs designed to spark Canadian students' interest in science, mathematics and technology – skills essential to our country's prosperity.
