**OAME/AOEM Award for Exceptional and Creative Teaching in Elementary Mathematics** recognizes an exceptional and creative elementary teacher who demonstrates excellence in mathematics education and contributes to the overall development of students.

## Award Nomination Process

1. Complete the Nominee and Nominator information section below. The nominator may include a 1-page letter of recommendation.
2. Provide up to three letters of support, of no more than two pages each. These supporting documents may be gathered from a variety of sources to reveal a full picture of the nominee. The support documents will provide precise information about the nominee's contributions as they relate primarily to this award. All documentation supporting a nomination should align to the OAME Vision for mathematics teaching and learning. Support may come from a supervisor or administrator, parents of students, colleagues, former/current students, or other appropriate sources.
3. Include the nominee's Curriculum Vitae of up to five pages.

The nominations will be assessed according to the criteria outlined below:
