

Award Nomination Cover Page

OAME/AOEM Award for Exceptional and Creative Teaching in Secondary Mathematics recognizes an exceptional and creative secondary teacher who demonstrates excellence in mathematics education and contributes to the overall development of students.

OAME/AOEM Awards Nomination Process

1. Complete the Nominee and Nominator information section below. The nominator may include a 1-page letter of recommendation.
2. Provide up to three letters of support, of no more than two pages each. These supporting documents may be gathered from a variety of sources to reveal a full picture of the nominee. The support documents will provide precise information about the nominee's contributions as they relate primarily to this award. All documentation supporting a nomination should align to the OAME Vision for mathematics teaching and learning. Support may come from a supervisor or administrator, parents of students, colleagues, former/current students, or other appropriate sources.
3. Include the nominee's Curriculum Vitae of up to five pages.

The nominations will be assessed according to the criteria outlined below:
