

Buses and Trains and Planes, Oh my!

Group Members _____

Your group will be travelling from _____ to _____

- *Each of you will be responsible for investigating a different mode of transportation for this trip (bus, train or plane).*
- *Each member should record the cities you are travelling between on their worksheet and take the sheet with them to the station.*
- *This sheet will be used to summarize the information you gather.*

	Bus	Train	Plane
Possible Departure Times			
Approximate Distance to get to Station (i.e. is it in the city, do you have to go to another city?)			
Average Cost			
Average Length of Trip			
Other Possible Costs			
Advantages			
Disadvantages			

Name: _____

Date: _____

The Bus Station

Your group is travelling from _____ to _____.

Use the bus schedules provided (or the internet) to answer the following questions:

1. Where is the nearest bus station that you could leave from? _____
2. Where is the bus station closest to your destination? _____
3. What are the possible departure times for this trip? Are the times different for weekends compared to weekdays?
4. What would be the cost for the bus portion of this trip?
5. Would you have any additional costs (i.e. taxi to the bus station)? If yes, explain what these costs might be and provide an estimate for them if you can.
6. How long would the bus trip take? (Give all possible trip lengths if there is more than one.)
7. What might be some advantages to taking the bus?
8. What might be some disadvantages?

Name: _____

Date: _____

Train Station

Your group is travelling from _____ to _____.

Use the train schedules provided (or the internet) to answer the following questions:

1. Where is the nearest train station that you could leave from? _____
2. Where is the train station closest to your destination? _____
3. What are the possible departure times for this trip? Are the times different for weekends compared to weekdays?
4. What would be the cost for the train portion of this trip?
5. Would you have any additional costs (i.e. taxi or city bus to the train station)? If yes, explain what these costs might be and provide an estimate for them if you can.
6. How long would the train trip take? (Give all possible trip lengths if there is more than one.)
7. What might be some advantages to taking the train?
8. What might be some disadvantages?

Name: _____

Date: _____

Airport

Your group is travelling from _____ to _____.

Use the airfare schedules provided (or the internet) to answer the following questions:

1. Where is the nearest airport that you could leave from? _____
2. Where is the airport closest to your destination? _____
3. What are the possible departure times for this trip? (Give the names of airlines too.) Are the times different for weekends compared to weekdays?
4. What would be the cost for the air portion of this trip?
5. Would you have any additional costs (i.e. taxi or city bus to the airport, parking)? If yes, explain what these costs might be and provide an estimate for them if you can.
6. How long would the trip take? Give all possible trip lengths if there is more than one. Take into consideration what time you would have to arrive at the airport.
7. What might be some advantages to taking a plane?
8. What might be some disadvantages?
