Ontario Association for Mathematics Education

OMCA Ontario Mathematics Coordinators Association

Grade 9 Applied Mathematics Summer Learning Institute

August 22 & 23 — Toronto

OR

August 24 & 25 — London

How can I as a principal better support mathematics instruction?

Bring a school team and join members of the Grade 9 Applied Mathematics Research Project (researchers, principals, & teachers) as they share highlights from their two year learning journey.

Learn what this research says about:

- Effective Mathematics Instruction
- Increasing Student Engagement
- Meeting Student Learning Needs
- Effective Professional Learning Models
- The Role of the Secondary Principal

Plenary Sessions

Workshops

Team Planning Time

Cost: $200 per school team of four
