Check the 2004-08 winners at http://www.statwomen.org.

Who is Eligible? Any girl attending a high school, middle school or elementary school. Home-schooled girls need to provide a verification of grade level. Entries for K-6 students may be submitted by a coed group or a class, but a girl representing the group or class should submit the project. For all grade levels, a teacher-advisor must also sign the submission form.

What is the Prize? The winner of each grade category receives $100 and a certificate of recognition. Eight additional finalists (two from each grade category) receive certificates of recognition.

What do I need to do? Submit the application, available at http://www.statwomen.org along with your project. E-mail electronic submissions to katsaounis.1@osu.edu or mail paper poster submissions (grades K-6 option) to: Tena Katsaounis, Department of Mathematics, The Ohio State University, Ovalwood 378, 1760 University Drive, Mansfield, OH 44906, (W) 419-755-4032.

Canadian entries can be submitted electronically to alison.gibbs@utoronto.ca or mailed to: Alison Gibbs, Dept. of Statistics, University of Toronto, 100 St. George St., 6th floor, Toronto, Ontario M5S 3G3. **Only electronic submissions are accepted for grades 7-12.**

All entries **must be received** by **February 28th 2009.**

More information about the competition at http://www.statwomen.org.

The Caucus for Women in Statistics was formed in 1970 to focus on specific problems associated with the participation of women in statistically oriented professions. The Caucus is an independent association with membership open to all women and men who support its purposes and objectives.
