

Family Math for Schools

A Workshop for Mathematics Education Leaders and Supervisors from OAME, OMCA, OAJE, & CAPE

Monday Oct 25 -OR- Tuesday Oct 26, 2004

(Choose One)

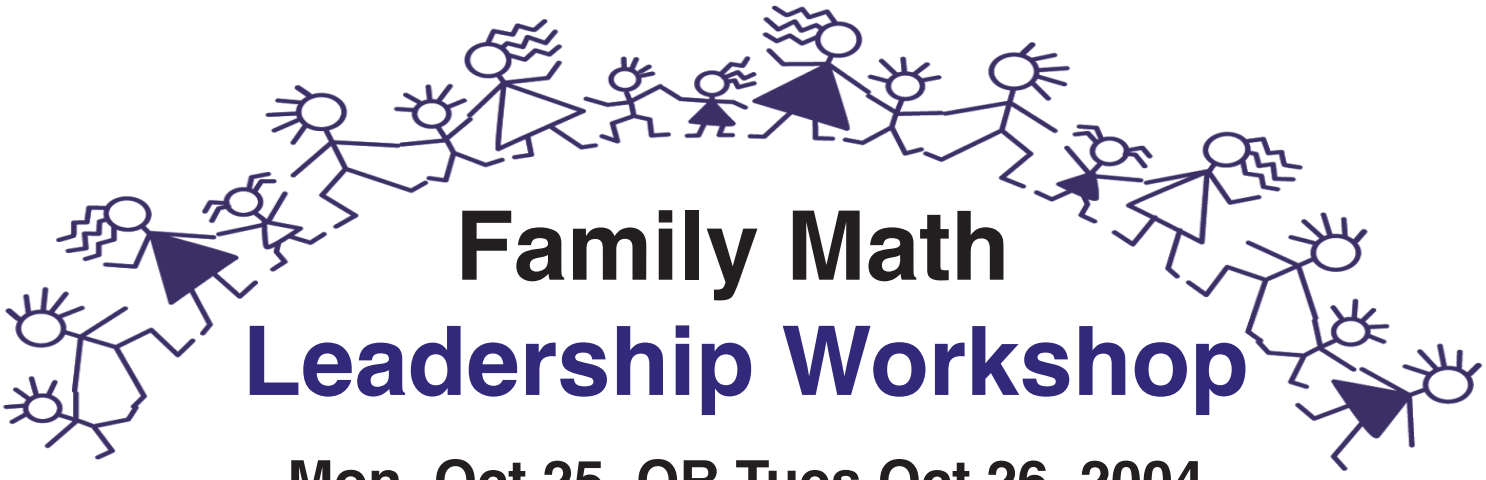

Faculty of Education
The University of Western Ontario

This workshop will provide:

- **Family Math support materials and ideas for coordinators and teachers**
- **a framework to help schools run Family Math events for parents**
- **multi-media materials for advertising and presenting teacher workshops and training sessions**
- **"At Home" materials to help parents support their children's mathematical growth and development (see reverse for details)**
