OAME/AOEM

ONTARIO ASSOCIATION FOR MATHEMATICS EDUCATION

Join a professional organization dedicated to the teaching of mathematics in Ontario.

OAME members include mathematics educators, kindergarten through college and university throughout Ontario.

Share in the OAME network and become involved in its professional development!

Our unique position gives us a strong voice in the shaping of mathematics education in the province through our conferences and publications and our influence on policy related to curriculum development and assessment.

Support the organization that supports Mathematics Education!

BOARD OF DIRECTORS

OAME's governing Board of Directors is composed of elected Executive Officers, Directors who represent each of the chapters, and Directors who are elected at large. All members are eligible to run for the Board of Directors and executive positions.

MEMBERSHIP BENEFITS

CONFERENCES

- An annual provincial conference hosted by one of the affiliated chapters and held in its region.
- An annual Leadership Conference.
- Local meetings and/or mini-conferences for information sharing and networking hosted by Chapters.
- Reduced rates for members at all conferences.

PUBLICATIONS

- *The Ontario Mathematics Gazette*, published four times a year, is an informative and useful collection of articles, problems and commentary on mathematics education.
- The *Abacus*, included in every issue of the *Gazette*, is written primarily for elementary school teachers. It contains many classroom-ready ideas and assignments that can be removed and photocopied for instant classroom use.
- Other publications are produced on an ongoing basis.

WEBSITE – www.oame.on.ca

- On-line shopping cart, links to all resources, professional development opportunities, current information.
- The members' only section allows each member to update their profile, view current chapter events and details, view, search, and print archived *Gazettes* and *Abacuses*, and access special professional opportunities.
