PRESENTS

WHAT ARE THEY THINKING?

PROVIDING YOUR STUDENTS WITH FEEDBACK IN THE MOMENT

OCTOBER 13TH, 2011

St. Joseph's Catholic High School, 243 Cundles Rd E, Barrie, ON

Time: 4:30 - 8:00pm

* Publishers Display & Registration: 4:30pm * Dinner: 5:00pm

* Plenary with Ruth Beatty: 5:45pm * Breakout Sessions: 6:40pm

* Annual General Meeting: 7:45pm

In our breakout sessions we will engage participants in activities and context problems and focus on the importance of understanding concepts. We will investigate and discover student thinking by analyzing their work samples. We will help develop a set of skills for using probing questions and descriptive feedback.

Register at http://chapters.oame.on.ca/mac2 and follow the links.

You can pay online with VISA or MasterCard or by cheque/cash at the registration desk.

Special thank you to our publishers for their displays and sponsoring of door prizes.

Representatives from schools who bring more than one person to the mini-conference will receive a $5.00 discount coupon valid for a new OAME membership or membership renewal.

OAME Members & Student Teachers $20.00

Non-Members $25.00

FACILITATORS

Ruth Beatty is an Assistant Professor at Lakehead University (Orillia) where she teaches the mathematics methods course for Primary/ Junior teacher candidates in the Faculty of Education. Her research of how children learn complex mathematical concepts, particularly in the domain of "early algebra", has resulted in a model of teacher professional development that links research and practice and resulted in a collaborative partnership with the Ministry of Education to produce online learning objects for linear relations http://www.mathclips.ca

Greg Clarke is currently on assignment with the Ministry of Education with the grade 7-12 Math Team, working on the CLIPS project which he has been part of since September 2007. Prior to this, he was working as the Secondary Program Coordinator for the Simcoe Muskoka Catholic DSB. He has been involved in a number of provincial math projects, including TIPS, PRISM-NEO and a number of Geometers Sketchpad symposiums. Greg is the webmaster for OAME as well as MAC2 and a member of the OAME board of directors. He is the 2011 recipient of the OAME Life Membership Award.

Kayla Kadlec is a Vice Principal with the Simcoe County District School Board. Previously to her administrative role she was a Math Coach for a few years. This is the third year that Kyla is a director on the Board for OAME and is a former President of the local chapter - the Mathematics Association for Cottage Country (MAC2). For the past several years she has been involved in the Ministry Project CLIPS. Kayla was also a co-facilitator at the 2011 Math CAMPPP.

Jonathan Rajalingam has been a teacher for 15 years. He began his career teaching High School Maths and Geography/Geology in England and since then has taught in every division. Jonathan's last classroom position was as a Kindergarten teacher and he is currently a curriculum consultant with the Simcoe Muskoka Catholic District School Board. His education interests include thinking creatively in mathematics, early learning, and documentation of learning.
